

Parent's Guide

These ABC cards offer an accessible introduction to the basics of the Christian faith for kids. Here are few tips for using these cards with your kids.

Be a Learner

If you flip through these cards and don't recognize half of the words - that's okay! Take the opportunity to look into a theology of Atonement or the history of Liturgy. Your kids will cherish the times you learn along side them.

STEP 02

Be Patient

The basics of the faith aren't passed down in an hour, afternoon, or year. The rich theological history we have as Christians takes time. Let it. Cherish it.

Ask Questions

These cards are not designed for rote memorization. Instead of quizzing your kids on their content, ask them dynamic questions like, "Why do you think it is important that God is quick to forgive?"

STEP 03

STEP 04

Review Together

Place the cards on the dinner table or living room console. Put them in a place where your family gathers so that you are inclined to review them together as a family.

Review Often

Whether you review a card or two before bed or before dinner, find a way to incorporate them into your daily routine.
